I found out about this from a post at one of the JAFF sites. 5 thumbs up for such an entertaining read.0 of 0 people found the following review helpful. very entertaining!By P. ShropshireAlthough some of the rhymes are awkward (it is a limerick, after all!) this is a very entertaining version

of PP! Recommended for all Austen fans!0 of 0 people found the following review helpful. EnjoyBy FlyingdetritusIf you love limericks this book is for you. A fast light entertaining read with some very clever rhyming and some terrible and or punny ones. (And don't forget the proper cadence).

Samus OLeprechaun retells Jane Austen's famous novel using the ancient and honourable artform of the limerick! The classics will never be the same again...
