Sarah Lassez : Psychic Junkie: A Memoir before purchasing it in order to gage whether or not it would be worth my time, and all praised Psychic Junkie: A Memoir:

1 of 1 people found the following review helpful. Good read!~ Engaging and honest!By R. D. Far.Very good read. The story was engaging and as a psychic addict myself I gleaned a lot of wisdom from her difficult experiences. Thanks for the author's courage and honesty in writing this book!0 of 0 people found the following review helpful. Loved. It.By AirikahI'm actually a huge Sarah Lassez fan. Like, seen all of her movies, HAD to read her book kind of

fan, so I'm a bit biased about reviewing; because of course I want to tell everyone who comes across it to read it--but not just because I'm a fan, but because it's actually a well written, interesting, funny story (that happens to be getting turned into a movie for 2014!). 0 of 0 people found the following review helpful. So fun! By J. L. Smith You are instantly in love with Sarah when you realize she's exactly like you in so many ways. A wonderfully written adventure through love, loss and the struggle to stay positive in such a harsh world.

The future lies ahead. **BUT YOU CAN PAY FOR A PREVIEW.** When her promised stardom fails to materialize, struggling actress Sarah Lassez finds solace in psychics who predict the coming of the man of her dreams. She's sure she's found him in Wilhelm, a suave hotel sous-chef from Germany. But mayhem ensues when she takes the words of the psychics over the words of her actual boyfriend and is convinced he's about to propose -- when in reality he's planning to leave the country . . . without her. Sarah's world dissolves into a haze of credit card debt, loneliness, and a raging addiction to psychics that threatens to destroy her finances, her relationships, and her sanity. She knows she needs help. But getting it will mean confronting the fact that life is not to be controlled or predicted, and though dealing with reality isn't always easy, at least it doesn't cost \$4.99 a minute. *Psychic Junkie* is a true story of life and love in Los Angeles, narrated by an endearing protagonist whose search for answers will resonate with everyone who has ever tried to make sense of career, relationships, and adulthood.

About the Author Sarah Lassez has starred in more than a dozen independent films, working with directors such as Abel Ferrara, Gregg Araki, and Robert M. Young.
