Funny but...By Nora WileyThis was a funny book but waaaaaay short for the price. Wish I had just looked for the same signs for free on the internet. I've seen stuff as funny on Pinterest...for FREE. LanghorneThis could have been a good book and is certainly a good idea for a book, but the fact that the author totally phoned this one in is just too much to take. Other than a cute tagline for each restaurant there is ZERO information about them. Each of these restaurants is worth at least a paragraph about why they got the name they did, how long they've been in business etc. Heck, the author could have if nothing else phoned up these restaurants and interviewed them over the phone if he didn't want to be bothered to actually show up at each and do some work. Don't waste your time here, I'm sure you can find enough information on the internet without the author's lame attempts here...

100 snapshots of the world's most amazing, dreadful and utterly bizarre restaurant names"What's in a name?" -William

Shakespeare (foodie) For too long, restaurants have been judged on the quality of their food. In some parts of the world, chefs have been known to waste literally hours of their lives carefully preparing and cooking stuff, only for other people to eat it and, later, part ways with it. This insanity must stop. There is only one thing to look for in a restaurant; a secret hidden in the pages of this laugh-out loud hilarious book. Ben Brusey has scoured the globe from Sunderland to Majorca to find the world's best-named restaurants, bars, and cafes. Breathtaking discoveries have been made, new standards of culinary excellence have been set. So, cancel that table at Per Se, forget that drink at the John Dory Oyster Bar, and open wide for a mouthful of wisdom guaranteed to leave you hungry, thirsty, and gagging for more. Why not savour the culinary delights of:- A SALT BATTERY (New York, USA). Chef's tip: Don't make eye contact with him.- NEW COD ON THE BLOCK (Sheffield, UK). Previously THE GILL NEXT DOOR.- PHO SHIZZLE (Cambridge, Canada). Vietnamese has never been so gangsta.- THAI TANIC (Washington DC, USA). Our tip: Avoid the Iceberg Lettuce.- HINDENBURGER (Toronto, Canada). Flame grilled and disastrously good.- PU PU HOT POT (Boston, USA). The critics say: Chinese food guaranteed to put fire in your belly.- JESUS FAMILY RESTAURANT (Fort Worth, Texas). The Lord grills in mysterious ways.

Gill, Restaurant critic, Sunday Times“Hilarious.” ?Daily Mail“You shouldn't laugh . . . but can't help doing so.” ?Telegraph, Books for Christmas“Rib-tickling.” ?Huffington Post“There's no chance of setting down Pu Pu Hot Pot-- this is a deskside book guaranteed to garner attention and plenty of giggles.” ?Popsugar.comAbout the AuthorBEN BRUSEY likes to eat food at restaurants when he can. He also likes to compete in eating challenges and his record is thirty fish fingers in one sitting (plus mayo, lemon and ketchup). His favorite restaurant in London is the Phât Phúc Noodle Bar, located near South Kensington. "Phât Phúc" translates as "Happy Buddha". Seriously.
