Hockey News : Puck Funnies: Hockey Humour, Hilarity and Hi-Jinx before purchasing it in order to gage whether or not it would be worth my time, and all praised Puck Funnies: Hockey Humour, Hilarity and Hi-Jinx:

Puck Funnies is the ultimate montage of the lighter side of hockey, recounting memories of what fans have laughed at over the years and glimpses into what makes our NHL heroes chuckle today. Puck Funnies is a series of zingers,

snapshots and features on the things and people that have made hockey fans laugh over the years. Colourful personalities such as free-spirited Jeremy Roenick, Slap Shot's the Hanson Brothers and master prankster Marc Bergevin are highlighted and talk about hijinks in hockey. In addition, the book details each NHL team's most hilarious practical jokes, embarrassing moments and the craziest quotes ever uttered by the world's best players.

About the AuthorThe Hockey News staff includes managing editor Jason Kay, senior writer Ken Campbell and writer Adam Proteau, and editor-writers Brian Costello, Sam McCaig, Ryan Dixon, Ryan Kennedy and John 'Griggsy' Griggs.
