**Donna S. Hale : Pulp Fiction Covers (Grayscale Coloring Book) (Volume 2)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pulp Fiction Covers (Grayscale Coloring Book) (Volume 2):

0 of 0 people found the following review helpful. Not a coloring book By Swell Gal Mary This is not a "coloring book" at all. It is just some poorly copied pages put into a book. I was disappointed and it has been returned

Nostalgic, pulp fiction grayscale magazine covers turned into a best sellers adult coloring book-- ready for you to color, frame, and amaze your friends. This is volume 2 of the series. Includes 24 single sided grayscale coloring pages with a full color guide located at the back of the book to help you choose your colors. Grayscale coloring books are becoming all the rage because it allows non-creatives become masters! Be sure to check out my other adult coloring books by clicking on my author name. It will take you to my "about me" page where you can see my other beautiful adult themed coloring books. Coloring has become the great new healing trend in our society, as people try to detox from the stress of the world....what better way, than to relax with a colored pencil or marker, and go back to yesteryear

when things were simpler. Be sure to check out my other coloring books for the beginner, up to the expert. Coloring books are all the rage, and this is best one for the beginner, or a great gift for a man in your life. This adult coloring book could be a great healing tool for that loved one dealing with an illness. When the doctor order rest and relaxation, adult coloring books are the best healing for the mind and the body. The 24 images in this adult coloring book puts the best of yesteryear forefront and center, and melts away the daily cares and illnesses of the day. These 24 coloring book images would also be great, once colored, to use in various other crafts. They could be hung on the wall, collages, pasted into memory books, etc. The uses are endless.
