**Feargus O'Sullivan : Pulp Kitchen** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pulp Kitchen:

More delicious than Scone With the Wind! Hotter than The Wild Brunch! More chilling than The Texas Chainsaw Moussaka! Have you ever been tempted to fry someone's liver with fava beans and a nice chianti? Or to try 'what she's

having' in *When Harry Met Sally?* And just what do the hobbits eat in *The Lord of the Rings*? Expanding on his popular DVD Dinners column in *The Times*, food and film writer Feargus O'Sullivan takes us on a witty tour of weird and wonderful cinematic cuisine, providing a menu for more than a dozen different movie nights, from Musicals, Horror Movies and Gangster Flicks to Bond Films as well as more risqué fare. Whatever kind of film you're into, *Pulp Kitchen* will satisfy your appetite. It is the only book for the food-loving film fan.

About the Author Feargus O'Sullivan writes regularly on food and film for the *Guardian*, and *The Times*, which has featured his 'DVD Dinners' column since 2005. He is also restaurant critic for *the London Paper*.
