David R Yale : Pun Enchanted Evenings: A Treasury of Wit, Wisdom, Chuckles and Belly Laughs for Language Lovers -- 746 Original Word Plays before purchasing it in order to gage whether or not it would be worth my time, and all praised Pun Enchanted Evenings: A Treasury of Wit, Wisdom, Chuckles and Belly Laughs for Language Lovers -- 746 Original Word Plays:

1 of 1 people found the following review helpful. I didn't love all 746, but I liked enough
By Just a Teacher
I teach English and find puns a good way to teach blended speech and minimal pairs. This book had some great puns to use in my class. It had a lot that were far too specific (using names of people my students wouldn't know) or that I just didn't get. Overall however, I enjoyed skimming through the book for different 'puns to share.
3 of 3 people found the following review helpful. Pun Enchanted Evening
By James Kousoulas Ph.D.
I thoroughly enjoyed reading the puns in this book. I looked forward to the next page of puns. They were very funny and original. I have shared this pun book with friends and we laughed with great intensity. We all loved talking about the puns and how we individually related to them. David Yale is quite a humorist and a one of a kind punster. He covers many topics with his puns and inspires you to think.
