Laugh out loud and fall off your chair as you flip through the pages of PUNishment. Young author Bayan Shimizu's way with words will tickle your funny bone, blow your mind and drench you in the power of language. Over ninety-five puns and twelve illustrations. Dedicated to his younger brother Lakas who died unexpectedly on Christmas Day in 2013. A portion of the money made on this book will go to the Lakas Shimizu Philanthropy Fund, which supports the education of underprivileged children. Praise for PUNishment: "These are fun puns showing clearly outstanding imagination, love for language, wit and whimsy. Reading them is a welcome PUNishment (pun intended)" -- Maya Soetoro-Ng (Author of Ladder to the Moon)
