Tyler Kaus : Puns-A-Poppin before purchasing it in order to gage whether or not it would be worth my time, and all praised Puns-A-Poppin:

Pittsburgh, PA...Puns are not just word plays that make you groan and roll your eyes. They can also make you laugh out loud! To those who love the English language, puns are an art form. Timeless writers have employed the use of

puns for centuries in world-renowned works. Puns are also often at use in our daily lives, from advertising slogans to social situations. Join Tyler Kaus on his odyssey, as he explores his love of puns - and his zany sense of humor. Offering readers not merely a chance to laugh, but the chance to explore the art and history of the puns, this book is an amusing mental exercise. Don't be surprised to find that jokes are contagious. Reading this book will encourage you to pay closer attention to word play in your own daily life, and soon you may find more puns that usual a-poppin' into your conversations!
