**unknown : Puns and Pundits: Word Play in the Hebrew Bible and Ancient Near Eastern Literature (2000-03-31)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Puns and Pundits: Word Play in the Hebrew Bible and Ancient Near Eastern Literature (2000-03-31):

11 of 12 people found the following review helpful. well, it IS more fun than a crick in the groan ...By Luscherfirst let me warn casual readers away : this is not for an interested person outside academia - there must be others works that will scratch this itch, but i am unaware of them (just to save you the time and trouble of asking) - unless you need a sleeping pill in book form. this would be an awful bore for such readersthe lowest form of getting published : an anthology with no text tying the loosely associated, previously published, scholarly papers together. this tome is no exceptionrather than allow readers to think i am dismissing the entire collection, allow me to say that there was an interesting insight into Egyptian Hieroglyphics and what the author termed a "Three Dimensional Pun"the limited number of ancient languages seems a bit of a drawback, given the title, but it may have been too difficult finding papers published in foreign languages ( and really, who can be bothered ? ) which could have been translated to English for inclusion into this publicationsadly there is no TOC, and any book listed by a publisher without making use of 's "look inside" feature is automatically suspect (as well as those limited to TOC and Index), and given the entrance fee to this show ? doubly so. here are the contents, listed in brief (as the publisher can't be bothered)- Egyptian - Puns and Word Play in Ancient EgyptianMesopotamia Word Play in Sumerian Alliterative Allusions,
