From Capital Decisions Ltd : Puns and Pundits: Word Play in the Hebrew Bible and Ancient Near Eastern Literature before purchasing it in order to gage whether or not it would be worth my time, and all praised Puns and Pundits: Word Play in the Hebrew Bible and Ancient Near Eastern Literature:

Essays on the use of word play in the books of the Old Testament as well as in ancient and medieval books and works in Sumerian, Canaanite, Akkadian, Syriac, Rabbinic Hebrew, and Arabic. This gathering of essays from renowned scholars gives one an appreciation of the artistry that went into the composing and editing of these great works of literature.
