I'm not a die hard animal lover but what's cool about this book is that you don't have to be an animal lover to enjoy it. It's super funny and teaches you about animal welfare without being preachy. Awesome idea, I highly recommend it.0 of 0 people found the following review helpful. Adopt an older dog!By Purple PassionCute book about the importance of

adopting an older dog rather than a puppy. 1 of 1 people found the following review helpful. Fun Read! By T. Robbins
This book is a fun way to teach people about the importance of adopting older dogs. REMEMBER, "While you are at the animal shelter please do not get distracted by the big eyes and false cries of those sweet-looking puppies... PuppiesAreDicks! PuppiesAreDicks! PuppiesAreDicks!"

PUPPIES ARE DICKS™ is a fun way to teach people about the importance of adopting Older Dogs. Every year thousands of older dogs die in shelters simply because they are not puppies. This is f'ing ridiculous. This book will prove once and for all that Older Dogs are wonderful, easy going, loyal, companions and puppies are nothing but 8 lb. dicks.
