Purple Ronnie : Purple Ronnie's Little Guide to Doing It before purchasing it in order to gauge whether or not it would be worth my time, and all praised Purple Ronnie's Little Guide to Doing It:

Purple Ronnie is the creation of the writer Giles Andreae. With over 35 million cards and 2 million books sold in the UK, Purple Ronnie is now one of the most successful licensed characters in the country. This book contains everything you ever wanted to know about that squishy, saucy, and downright naughty experience when a man and a woman get down to business. The book contains all the information readers need on doing it, who to do it to, how to do it, and why doing it is just such fun.

"If you read this book you will immediately become an expert at Doing it and everyone in the world will fancy you and want to Do It with you like mad for ever.' Purple Ronnie" About the Author Giles Andreae is the creator of the hugely successful Purple Ronnie brand and the author of numerous children's books. He lives in London with his wife and three children.
