Wisdom with a Side of Whiskers... If you've ever shared your home or your heart with a special kitty, you know that cats know that we mere humans have much to learn from our furry friends. Purr More, Hiss Less celebrates this special bond by pairing eclectic pearls of feline wisdom with the watercolor splendor of artist Erika Oller. The result? The purr-fect reminder that, as every cat knows, "Life is precious-even if you have nine of them."
