She is the cat that represents most of us: she watches Netflix, eats junk food, lies around on the weekend—sometimes all at once.This calendar is the same 12" x 12" size as last year; which expands to 12" W x 24" H when opened up. It's printed on quality paper and won't rip when you're flipping the pages every month. There is one image to represent September to December 2016, and you get twelve new images for the twelve months of 2017. The calendar is shipped with a piece cardboard inside to prevent bending during shipment.My only minor issue is that the twelve stickers you get are exactly the same as last year. I was hoping for different ones to stick on different things. The stickers are still a bonus so I'm glad to have this extra.If you love Pusheen (and how can you not?), get this calendar for 2017. Cute calendarBy LLSHonestly hard to tell if I like it since saw fit to fold it in two and stuff it in a small box along with smaller items. Big crease through the middle. Pictures are pretty much same as last year's calendar. If you liked 2016 Pusheen calendar then you should like this one.2 of 2 people found the following review helpful. Perfect!By CustomerThis calendar is a must have for any Pusheen fan! The images are super cute and the card stock seems durable and well made. The first page

has September - December 2016 printed on it so you don't have to wait until January to hang it. The best part is the sticker sheet! They are definitely collectible, as I haven't seen any like it available yet. If you love all things Pusheen you will love this calendar!

The Pusheen 2017 Wall Calendar features adorable Pusheen the Cat artwork for each month of the year and a sheet of twelve Pusheen stickers. An internet phenom with over 980,000 blog followers and nearly 9 million Facebook likes, Pusheen is a digital diva. But this chubby, gray tabby cat isn't confined by a screen! She's also a best-selling author and star of plush toys, clothing, jewelry, and more.
