Quaint We Ain't: A Country Editor Confesses the Hilarious Truth about Small Towns is a truly entertaining and humorous collection of twenty short stories. The selections Tom Graham has chosen to include in th Quaint We Ain't are right from his real-life experiences as a country newspaper man. Some of the stories even go back to his life as a child and will leave the readers smiling and relating to similar childhood experiences themselves. Graham has told here the best stories of his four decades in the business as a reporter, publisher and owner of a small-town newspaper. Even the stories that have nothing to do with the newspaper business are hilarious and will make the readers want to read them repeatedly and point them out to others. -- Midwest Book
