Kim Chilman-Blair BSc MB ChB : ¿Qué le pasa al papá de Tiffany?: Los Medikidz explican el melanoma (Medikidz Explain [Cancer XYZ]) (Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised ¿Qué le pasa al papá de Tiffany?: Los Medikidz explican el melanoma (Medikidz

Explain [Cancer XYZ] (Spanish Edition):

Melanoma skin cancer is explained in graphic novel format in this informative story that makes the science behind cancer accessible to young readers. The Medikidz are larger-than-life superheroes who live in Mediland, a living, moving virtual world within the human body. Each character is an expert on one component of human anatomy and the role it plays in fighting the disease. Using their extensive combined knowledge, the Medikidz conduct a journey through Mediland, exploring complex medical issues with a language and visual style that is attractive to tweens and teens. Appropriate humor and adventure are blended with accurate facts, so readers can understand melanoma and its causes. Se explica el melanoma, el cáncer de la piel, mediante formato de novela gráfica en esta historia informativa que hace asequible para los jóvenes lectores la ciencia detrás del cáncer. Los Medikidz son un grupo de superhéroes extraordinarios que viven en Mediland, un mundo virtual y viviente dentro del cuerpo humano. Cada personaje es experto en un componente de la anatomía humana y el papel que juega en combatir la enfermedad. Combinando sus extensas inteligencias, los Medikidz hacen un recorrido de Mediland, explorando complejos temas médicos con un lenguaje y un estilo visual que es atractivo para los jóvenes. Un humor apropiado y un espíritu aventurero son combinados con información científica precisa para que los lectores puedan entender el melanoma y sus causas.
