By Kathy Freeman
Funny, Witty read with great recipes. Perfect for anyone, at any stage of their relationship or cooking ability.

Heidi Heller Niehart's column, The Singles Zone appeared in newspapers throughout the Country from 1994 to 1999. She has always wanted to publish a book containing her columns alongside recipes so people can do two of her favorite things together-laugh and eat. Heidi is now married with two kids. She is working on her sequel Too Tired to Quiche: A collection of witty and somewhat horrifying tales of marriage and raising kids.
