25 Quirky Characters can be found in this adult coloring book. They are designed to make you smile while you are coloring. Every image in this adult coloring book is lighthearted and whimsical - perfect for relaxing with your colored pencils in the holidays! The lineart in this coloring book is moderately detailed. The characters are printed on single-sided white paper so that you can cut out and frame your creations. Each image is printed twice so you can experiment with different colors, or even give the second half of the coloring book to a friend! Although this is an adult coloring

book, there are a lot of images that are also suitable for children.
