**Simon Drew : Quotations of Oscar Wilde** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Quotations of Oscar Wilde:

0 of 0 people found the following review helpful. Buy. By Isaac Barrow Nice illustrations. Fewer quotes than other titles but worth it for the nice presentation and appearance. 0 of 0 people found the following review helpful. Five Stars By Savannah Bentley great 1 of 3 people found the following review helpful. It's Hard to Make Oscar Wilde Look Bad By C G Correll I may be just me, but I didn't find the drawings to be amusing (and I usually love anything with animals included), the quotations were not Wilde's best by far, and the whole endeavor was just plain disappointing.

The genius of Oscar Wilde has so often been compared with that of Simon Drew, and for the very first time you can witness the best work of the two intellectual maestros in the same volume. If you want to see an illustration of I have

nothing to declare but my genius you won't find it in this book. If you can recall Wilde's witty comment that has something to do with gutters and looking at the stars you won't find it here. The most famous, (and corny) Wilde lines have been avoided and replaced instead with his most interesting quotations. They have been combined with suitable cat and dog illustrations, in the usual Drew style, that will sometimes clarify (but more likely confuse) the meanings of Wilde's quips. If you want a book to give you guidance, and to supply you with a philosophy to live your life by, this isn't the book for you. If you want a good laugh and the ability to pass Wilde's most obscure remarks off as your own, buy it. Buy it now.

About the Author Simon Drew lives in Dartmouth, England, with his wife, Caroline, and his dog, Rabbit. He works mainly in pen and ink, making fiendishly inventive drawings of everyday objects, birds and animals embellished with devious rhymes and word play. His work is widely acclaimed and exhibited, and is already the subject of numerous books. Drew's designs are also incorporated into a wide variety of stationery and accessories ranging from cards, mugs, t-shirts and aprons. - See more at: <http://www.accdistribution.com/us/store/pv/9781851497768/the-wisdom-of-wine/simon-drew?layout=popup#sthash.Bfq9DQW.dpuf>
