Elise Whittier Church : Rabbit Doodles (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rabbit Doodles (Volume 1):

1 of 1 people found the following review helpful. Rabbit DoodlesBy LadyFromAZI bought this as a gift for a friend that adores bunnies. She loved it. The paper was nice and thick and printed on only one side, so you could use paints, markers or pencils.0 of 0 people found the following review helpful. Cute!By ArgentosmomI got this for my friend for Christmas as she loves bunnies and had one for many years. The outlines are a bit light but I don't think it will affect the quality overall. It'll be a fun thing for us to do together when the weather's gross!0 of 0 people found the following review helpful. A MUST HAVE FOR BUNNY LOVERS!!By MaryI took this with me to the hospital. Best way to pass time, EVER!!!What could be better than bunnies by Elise Church???

Celebrated art teacher and animal rescue activist Elise Whittier Church shares her passion for rabbits in this

beautifully-illustrated and informative coloring and activity book. In it, Church combines her artistic talent, her love for teaching, and her heart for the animals she calls "the silent sufferers." Using her own rescue rabbits as models, Church drew portraits and embellished them with whimsy. Every other page is used as a bleed page for the coloring pages. Each bleed page contains interesting rabbit facts or activities such as a crossword puzzle, a search-and-find, even a "How to Draw a Rabbit" page. Intricate enough for older children and adults, yet simple enough for younger artists, this book makes the perfect gift for colorers—and animal lovers—of all ages.
