Kevin Jackson : Race Pimping: The Multi-Trillion Dollar Business of Liberalism before purchasing it in order to gage whether or not it would be worth my time, and all praised Race Pimping: The Multi-Trillion Dollar Business of Liberalism:

3 of 3 people found the following review helpful. Racism, who's really to blame ?By Paul KimbroughGood read. Told in a very sarcastic light describing current issues of the day. Read, and learn. I enjoy other perspectives. Rape baiting

is only in it for the money. Since the civil rights March, how much has really changed ? How much has improved ? Are your leaders making progress, or is it just banter. Explore where the problems now lies, and ask yourself, could it be me ? 2 of 2 people found the following review helpful. RACISM AS BIG BUSINESS By JAMN Another must-read...illuminating, thought-provoking, insightful and reveals another side of the business of promoting and maintaining the notion of racism, which has become a BIG BUSINESS. 1 of 1 people found the following review helpful. Good read By Yedidyah Good read. I wish his other book was more reasonably priced (now over \$60!! in paperback!!)

Race pimping has cost America TRILLIONS of dollars, as the money in race guilt is fantastic. Politicians line their pockets and those of family and friends, while delivering little to nothing to their constituents or the community at large.
