William Russo : Rajon Rondo: Superstar! before purchasing it in order to gage whether or not it would be worth my time, and all praised Rajon Rondo: Superstar!:

0 of 0 people found the following review helpful. Why did I order this?By ElsnerThis book was not what I expected it to be. I ordered it for my 10 yr. old grandson who is a huge Boston Celtics fan. I felt that the book was not appropriately written for a younger person. I, myself, did not find the format to be interesting.

Boston Celtics point guard Rajon Rondo is described, analyzed, and put into the pantheon of legendary sports figures in this light-hearted homage to the young basketball star.
