Elizabeth Lyons : Ready or Not Here We Come!: The Real Experts' Guide to the First Year With Twins before purchasing it in order to gage whether or not it would be worth my time, and all praised Ready or Not Here We Come!: The Real Experts' Guide to the First Year With Twins:

0 of 0 people found the following review helpful. It's a great book for multiples-parents-to-be who are also first time

parentsBy JessicaIt's a great book for multiples-parents-to-be who are also first time parents. My twins came in at #4 and #5, and I felt this book didn't have much more to offer than your average parent-to-be book. There were some good tips, but nothing I hadn't already heard from my twin-mom friends. So, if it's your first go around or if you don't have friends with twins whose brains you can pick, go for it.0 of 0 people found the following review helpful. Easy, good read for helpful tips with newborn twinsBy KristinThis book was recommended to me by a friend who didn't get the chance to read it until after she delivered her twins and wished she had the chance to read it before. It is light-hearted and easy to read and so far seems very helpful. I'm still in the middle of reading it and not due for a few months but it definitely helped me with creating my registry and has provided lots of other tips that seem useful for when they arrive.0 of 0 people found the following review helpful. Easy read for expectant twin parentsBy BookWorm57I've read a few twin books during my twin pregnancy and this was the quickest and easiest, but also the most down to earth. I had been looking for a twin book I thought my husband would get though and this is certainly it.

2nd Edition, updated and expanded!You've expanded (to the point where you've traded high-fashion maternity wear for your husband's XXL T-shirts), answered way too many questions about your babies' conception, and felt your belly bounce like jelly as your dynamic duo engaged in a boxing match. And the adventure has only begun! In her first humor-packed guide to raising twins, Elizabeth Lyons and her "multiples" sorority offer the wisdom of their combined experience in the form of practical shortcuts, real-world strategies, and sage advice. Topics include: - Preparing the Lair: Mandatory Gear for Babies and Mom - Twinproofing Your Marriage - Breastfeeding Strategies (and Why It's Okay if You Don't) - Unsolicited Advice: Stories from the Trenches - Getting Twins on a Schedule Preferably the Same One Lyons balances the day-to-day challenges of raising twins from double feedings to sleep deprivation to getting out while pretending everything's under control with a sanity-saving dose of camaraderie. By the end, you'll be smiling and shouting, "Thank heaven, I'm not alone!" "Elizabeth Lyons' humorous yet realistic perspective provides new parents of twins with a great starting point from which to embark on that all-important first year." - Dr. Bob Covert, Leading Chicagoland neonatologist "Elizabeth Lyons captures the universal discourse of sisterhood while guiding new mothers of twins through the first year." - Kathy Voit, RNC, Labor and Delivery nurse

"The advice you need in the short, funny format your sleep-deprived mind can absorb."- Lisa Earle McLeod --Forget Perfect"Real-world advice with a healthy dose of humor from a mom of twins who's been there!" - Nancy Bowers, RN --The Multiples Pregnancy Sourcebook"Real-world advice with a healthy dose of humor from a mom of twins who's been there!" --- Nancy Bowers, RN, The Multiples Pregnancy Sourcebook"Real-world advice with a healthy dose of humor from a mom of twins who's been there!" - Nancy Bowers, RN --The Multiples Pregnancy SourcebookAbout the AuthorElizabeth Lyons lives in Arizona, because it's sunny even on days when it looks like an F5 tornado hit her home. Even then, she continually coordinates while consuming vast amounts of chocolate a busy household that includes a heroic husband, a dramatic daughter, and an indescribable set of twin boys (who now have an energetic younger brother). Her articles and advice have appeared in the Chicago Tribune, Parenting, Pregnancy, The Baby Years, First for Women, Blue Suit Mom, Better Home Gardens, and on numerous websites.
