Billy Edd Wheeler : Real Country Humor before purchasing it in order to gage whether or not it would be worth my time, and all praised Real Country Humor:

0 of 0 people found the following review helpful. Worth every pennyBy Arkansas RedBilly Edd really did his homework on this one. He has other books of country humor that I highly recommend. He must have worn out a few pairs of boots traveling around to get all of these great stories. The only slight drawback I can see about the book is it is not long enough. It has lots of stories and the book is worth every penny, but I'm waiting for some more volumes to come from Mr. Wheeler. There are thousands of jokes and stories that these entertainers have collected over the years and Billy Edd has just touched the tip of the iceberg. Kudos Billy Edd for such a fine bit of collecting, and I look for a sequel in the near future. Keep up the good work. Your pickin' friend, Arkansas Red-Ozark Troubadour, Ozark Mountains, Arkansas0 of 0 people found the following review helpful. He loves good jokes and I enjoyed visiting and

hearing him read ...By Sandy GI ordered this book for my Dad. He loves good jokes and I enjoyed visiting and hearing him read or tell me about parts he read.0 of 0 people found the following review helpful. Five StarsBy Janette DwyerEnjoyed the book!

Billy Edd Wheeler is a veteran of the country music scene, having worked as a Nashville songwriter since the early 1960s. Billy Edd knows country, and, as title-holder to the moniker "Dean of Country Humor," he also knows funny. "It's impossible to attend a recording session in Nashville without hearing lots of stories and jokes," Billy Edd observes. After all, stories and humor form the foundation of country music. Wheeler has gathered jokes from some of the greatest names in country music in what reads like outtakes from a long-running recording session. The list on contributors spans the music scene from Patsy Cline to Jimmy Dean.
