Melissa Kite : Real Life before purchasing it in order to gage whether or not it would be worth my time, and all praised Real Life:

Do you write to-do lists that include items such as 're-mortgage house, get pregnant, climb Kilimanjaro'? Does an exciting weekend for you mean scrubbing all the grouting in your bathroom? Have you ever felt the urge to kidnap the TV repairman and tie him to the bed like Kathy Bates in MISERY because you are terrified it will stop working once

he's gone? Welcome to Melissa Kite's life. If you answered 'yes' to one or more of these questions, clearly you too are a single woman trying to survive in modern Britain. If not, you will have a good laugh reading this book.
