Karen King, Patience Coster : Really Horrible Science Jokes (Really Horrible Jokes) before purchasing it in order to gage whether or not it would be worth my time, and all praised Really Horrible Science Jokes (Really Horrible Jokes):

What do constipated mathematicians do? Why did the chemist cut off one of her legs? Find out the hilarious answers in this collection of kid-friendly gross-out jokes. It will keep the laughs rolling as science is put under the joke microscope.
