If you've ever had a dog, you'll find yourself nodding along to every page. It's a heartwarming book filled with beautiful prose and fantastic photography. Admittedly, it's hard to go wrong with anything involving pictures of dogs, but this book goes above and beyond. 34 of 36 people found the following review helpful. Heartwarming and Sage -- Perfect Gift for Dog Lovers! By Jill TamariI love this book -- a totally charming gift for anyone who loves dogs! This isn't a generic assemblage of quotes about dogs -- it's a surprisingly profound, and clearly very carefully curated collection of sayings like "Joy is meant to be shared!" and "Just enjoy the ride!" and "Bask in a sliver of sunshine" that reveal what our canine companions can teach us about gratitude, joy, friendship, living a balanced life and other valuable life lessons. There are also touching stories about dogs and their humans, and truly adorable photos throughout. This book is heartwarming, and at times laugh-out-loud funny. I highly recommend to dog lovers everywhere! 16 of 16 people found the following review helpful. Beautiful images By Alicia Ann AllingerI tried a sample of this book first, then I bought it and discovered the astounding photography paired with a majority of the sayings! I don't know what I liked more, the photography or the verse.

A New York Times, Los Angeles Times, Boston Globe and Indie Bestseller! Playful spaniels completely covered with snow—"There's no such thing as 'bad' weather." Two happy dogs sleeping, one on top of the other—"Sometimes you need a pillow. Sometimes you are the pillow." The bulldog who's headfirst in her bowl—"Every meal is THE BEST MEAL EVER." Cynthia L. Copeland has a gift for discovering those sorts of simple, timeless lessons. She did

it when her children were younger with Really Important Stuff My Kids Have Taught Me. Now she distills all-new wisdom from her lifelong love of dogs. Really Important Stuff My Dog Has Taught Me is tender, funny, warm, and utterly inspiring. Pairing an irresistible photograph with just the right sentiment, every page delivers a life lesson that appeals as much to our hearts as our minds. It reminds us again and again of what's important, like love: "Be there when others need you." Compassion: "Even the smallest act of kindness matters." Perseverance: "Keep going until you find your way home." A healthy sense of self: "Make it squeak until someone pays attention." Living in the present moment: "Scratch where it itches, when it itches." And that happiness is a choice: "Leap higher than you have to."
