**T. Cathers-Mitchell : T's Big Book of Cuss Word Alternatives: 1,001 Words and Phrases You Can Use Instead of Swearing** before purchasing it in order to gage whether or not it would be worth my time, and all praised T's Big Book of Cuss Word Alternatives: 1,001 Words and Phrases You Can Use Instead of Swearing:

0 of 0 people found the following review helpful. Fug Bug, this book is a great ideaBy Cindy KelpsOkay so, I do

know that sometimes people in books curse and in real life but it becomes cringe worthy when I'm reading a YA novel and the characters are cursing every three sentences because the author thought it made their teens more relatable. Sometimes, it can do the opposite and make them sound unintelligent. Unless the book is gritty, teens shouldn't be cursing every breath. This book gives good examples of words to use instead that will still get the same points across without having to go potty mouthing. Yes, a few of these are silly sounding but that's still far better than dropping F bombs all over the place in a book suited for teens. 0 of 0 people found the following review helpful. Poor quality. By Amanda Fanning Not worth the money. Poor quality.

This book is for all you motherfathers in need of creative ways to avoid swearing. Whether you are at work, or around children, this book will give you a plethora of fun ways to express yourself without cussing.
