**Chelsea Handler : Uganda Be Kidding Me** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Uganda Be Kidding Me:

2 of 2 people found the following review helpful. I enjoyed her raunchy and ridiculous stories By Joey L. This book was very enjoyable. As a long time Chelsea fan, I enjoyed her raunchy and ridiculous stories. This definitely isn't my favorite book of hers, but it is still entertaining. The book picks up as you get further into it and the best material is toward the end. I particularly enjoyed reading about her attempts to seduce one of her tour guides. Grammatically, I noticed a few mistakes, but it wasn't overly distracting. A great, easy read for those of you who are looking for a laugh

that doesn't require too much thinking. 1 of 1 people found the following review helpful. Funny! By Super Jet Ski Fun Monkeys I love Chelsea's stories and her take on life. She seems to have the craziest things happen and it's hilarious to hear her talk about them. She is irreverent and unapologetic and I love her for that. She is timid and brave at the same time and I love the way she recounts her adventures. If you like Chelsea Handler you won't be disappointed with this book. 0 of 0 people found the following review helpful. Simply Hilarious! Great Beach Book! By Tracy Sutton She is hilarious! Great summertime/vacation read. I liked a couple of her other books better, (My Horizontal Life and Are You There Vodka? It's Me Chelsea) but this one was funny too, especially if you like to travel. I honestly think her books are funnier than she is in person, because they explain some of the expressions she gets on her face etc.

Wherever Chelsea Handler travels, one thing is certain: she always ends up in the land of the ridiculous. Now, in this uproarious collection, she sneaks her sharp wit through airport security and delivers her most absurd and hilarious stories ever. On safari in Africa, it's anyone's guess as to what's more dangerous: the wildlife or Chelsea. But whether she's fumbling the seduction of a guide by not knowing where tigers live (Asia, duh) or wearing a bathrobe into the bush because her clothes stopped fitting seven margaritas ago, she's always game for the next misadventure. The situation gets down and dirty as she defiles a kayak in the Bahamas, and outright sweaty as she escapes from a German hospital on crutches. When things get truly scary, like finding herself stuck next to a passenger with bad breath, she knows she can rely on her family to make matters even worse. Thank goodness she has the devoted Chunk by her side—except for the time she loses him in Telluride. Complete with answers to the most frequently asked traveler's questions, hot travel trips, and travel etiquette, none of which should be believed, UGANDA BE KIDDING ME has Chelsea taking on the world, one laugh-out-loud incident at a time.

From Booklist \*Starred \* Here's all you really need to know about Chelsea Handler, straight from the girl herself: "It is not lost on me that my life has become ridiculous." Handler, star of her own late-night TV show, Chelsea Lately, and best-selling author of three previous titles, including Are You There, Vodka? It's Me, Chelsea (2008), takes readers on her travels; each adventure can only be described as a total shit show. Absurdity reigns, from a safari in Africa, where the only ones getting penetrated (her favorite word) are the hundreds of baboons at the lodge, to the Bahamas, where after eight days in Africa without a bowel movement, Handler finally lets loose into an innocent kayak. The U.S. is not left unscathed, either. At most times, Handler is surrounded by her friends—let's face it, she wouldn't survive on her own—and Chunk, a half-German, half-Asian dog that she believes to be the reincarnation of her dead mother. As long as someone can make a decent margarita, and there's Xanax on hand, Handler is just fine—although the same can't be said for the people she encounters. The final chapters really have nothing to do with travel and feel less connected to the rest of the book; in Handler's defense, she was probably drunk by this point in the writing process. But if you're one of the millions who enjoy Handler's sarcastic, self-deprecating humor (and her tendency to be pantless), then you may just pee yourself laughing as she humiliates herself from Montenegro to Telluride. Unfortunately—really unfortunately—photos weren't available at the time of review, but based on the shenanigans described, they have a ton of potential. HIGH-DEMAND BACKSTORY: Who's not watching Chelsea Lately at 11/10c? --Ann Kelley About the Author Chelsea Handler is the star of her own late-night talk show on E!, Chelsea Lately, and E!'s comedy series After Lately, as well as the #1 bestselling author of Chelsea Chelsea Bang Bang; Are You There, Vodka? It's Me, Chelsea; and My Horizontal Life.
