Mitchel Whittington : Uncle Bubba's Chicken Wing Fling before purchasing it in order to gage whether or not it would be worth my time, and all praised Uncle Bubba's Chicken Wing Fling:

0 of 0 people found the following review helpful. Laugh Out Loud Great Recipes!By R. MillerThis is a funny read, we all have a crazy family member we can imagine doing what Uncle Bubba did! The recipes are easy to follow and taste great. I have even used some on chicken legs and whole chickens and always enjoyed the chicken.0 of 0 people found the following review helpful. Excellent recipes with a bonusBy T. GriffinI bought this book just to see what all the

positive reviews were about. I've got to admit I agree with the other reviewers here in giving this book a very positive review. Kind of a cook book with narrative, you get a good number of well thought out recipes(60-80 I think) that are used as a center point to a very funny story about Uncle Bubba and his friends. It really is two books in one, as the story of Uncle Bubba could have sold by itself.0 of 0 people found the following review helpful. great bookBy wescottI love this book and was glad I found out how to get it as I am older and do forget

It all started when Uncle Bubba decided to open a chicken wing restaurant in the tiny town of Cut Plug, Texas. He thought it would be easy, but it took a year of Bubbamania before things came together.

From the Back CoverIt all started when Uncle Bubba decided to open a chicken wing restaurant in the tiny town of Cut Plug, Texas. He thought it would be easy, but it took a year of Bubbamania before things came together. A few delightful inhabitants of Cut Plug include Aunt Irma, who is the very heart, soul, and conscience of Uncle Bubba; Skeeter, Bubba's ever-present, skinny little friend who would follow him into the fires of hell; and Buck, a big fellow who brings a little sanity to the group. You can't read about Uncle Bubba's exploits without recognizing someone you know and love. "Uncle Bubba's Chicken Wing Fling is a humorous, yet loving look at small-town Texas life. Uncle Bubba has a dream, but the fates and banker Trinkle seem to be against it. You can bet your boots and your gimme cap Bubba will go through heck, high water, and a lot of wing sauce to make his dream come true. You wanna laugh? Pull up a chair, your favorite brew, and a batch of wings, and sit down to enjoy . . ". Lucile Davis Home Editor "Fort Worth, Texas" magazine Mitchel Whittington is a writer, chicken wing gourmet, and connoisseur of fine bourbons.About the AuthorMitchel Whittington is a writer, chicken wing gourmet, and connoisseur of fine bourbons.
