Here's a coloring book for the nostalgia of the hippie generation of the 60's, and even for nature loving millenials!0 of 0 people found the following review helpful. Five StarsBy CustomerLove the unique designs!!

Come close you lovers of dance, you singers of light. Open this book, along with your hearts and minds, to a movement of silence. Be peace itself and allow the moment to exist on it's own merits. Gaze upon these drawings of

love and legend, they only exist because of you and your wildest dance. Touch the sound of these lines with your heart, let each curve spiral into your depths, and light a fire of awareness. Let your hand move and dance with color. The drawings are now yours to enhance with your own color story creation. Uncle Jerry
