Bathroom Readers' Institute : Uncle John's Bathroom Puzzler: 365 Logic Puzzles (Puzzlers) before purchasing it in order to gage whether or not it would be worth my time, and all praised Uncle John's Bathroom Puzzler: 365 Logic Puzzles (Puzzlers):

A great book otherwise providing several types of puzzles to keep you occupied - just not the book I was searching for. Purchased this one because the description seemed to match my needs but in the end did not.1 of 1 people found the following review helpful. excellent!By sarah dmy little brother found this book in a bookstore a couple of years ago when we were christmas shopping. he has been pestering me

about it ever since. i finally broke down and ordered it for him for christmas this year. upon it's arrival, i was shocked to find that most of these brain teasers are more complicated than i could even begin to THINK about figuring out... he, on the other hand, figured out four of them while in the store that day. i am positive that he is going to enjoy this christmas gift...0 of 0 people found the following review helpful. LoveBy JenSSome great mind teasers! Would be great for a teacher.

For the latest entry in this popular puzzle book series, Uncle John recruited some of the countrys top puzzle creators and asked them to put together a year's worth of games to get the brain bubbling and the synapses popping. There are no tricks here, just plenty of creatively diverting games aimed at both the wildly wordy and the less seasoned scribe. BRI's crew of wordsmiths have whipped up a challenging set of crosswords, anagrams, sudoku, trivia quizzes, and much more for this pencil-chewing collection (erasers encouraged). Some of the brain-teasers are short, some are long but all will test the reader's puzzle-solving stamina. There's no obligation to follow the one-a-day rule, advises Uncle John; readers are encouraged to work on all 365 at once if they prefer!
