**Bathroom Readers' Hysterical Society : Uncle John's Bathroom Reader Cat Lover's Companion (Uncle John's Bathroom Readers)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Uncle John's Bathroom Reader Cat Lover's Companion (Uncle John's Bathroom Readers):

remote and almanac-like factualness, that I had to close it up on page 20 because it was never funny, warm, intriguing or otherwise interesting. It is a "word-spill" of dull writing. Next time, consider hiring a cat writer to compile and copy-edit this topic. Not up to Uncle John's standards. 1 of 1 people found the following review helpful. A Must Have! By C. Edis Uncle John's Cat Lover's is funny, entertaining and informative! A great read whether you are looking for info on your new kitty's quirky behavior or just want to read about the tails of many kitties. An amazing addition to the Uncle John's collection. 0 of 0 people found the following review helpful. Love Uncle John! By Deborah Lynch These books are great! I don't read them on the john....but you could. They are often filled with funny stories and weird facts. Very entertaining!

Warren Eckstein said, "In the beginning, God created man, but seeing him so feeble, He gave him the cat." The Bathroom Readers' Hysterical Society agrees, and shows it with this endlessly diverting tribute to tabby. From famous cats to the famous with their cats to cats' famous history, from cats who like to paint to cats who travel the world to find their way home, Uncle John's Hysterical Society scours the globe to find the winning-est, wackiest, most wondrous cat tales for this collection.
