A Great Gift for Anyone Who's A Sports FanBy BarryfaceI bought this book for an avid sports fan friend and can't wait to give it to him for Christmas. He should enjoy it and I thought this would be a great introduction to Uncle John's Bathroom Reader books.0 of 0 people found the following review

helpful. Always a good buyBy always buy in multiplesI love Uncle John's bathroom readers, and so do my friends and family. And that's why they get them year after year for Christmas. I didn't actually read this one myself, as it was a gift for my sports-loving best friend, but he spends a lot of time in the bathroom, so this book was thoroughly enjoyed.0 of 0 people found the following review helpful. Funny and factualBy FaHoLoHockey-loving son (12yrs) likes this book and, no, doesn't read it in the bathroom ;). He actually reads it a little before bed each night, which is awesome! I'll buy anything that will make a 12yr old boy read!!!

Uncle John's hard-hitting hockey book was such a success that we decided to send it back to the weight room to get beefed up for a new season. Now updated and expanded with 70 new pages, this collection of slap shots, penalty kills, and toothless grins offers hockey fans everything they love about this great game: its colorful history, legendary players, and enough trivia to satisfy even the most avid stat head. Read about...The true origin of the "Coolest Game on Earth"The greatest teams in hockey historyThe best (and worst) hockey movies of all timeThe incredible exploding ZamboniA rap sheet of hockey arrestsPatrick Roy's conversations with his goal postsAnd much, much more!
