Christmas gift By AF Michael Every year for Christmas, I get my husband an Uncle John Bathroom Reader - as the throne room IS his favorite place to read. He is a golfer, too. THIS book has to be one of the funniest since the laughter floating out the bathroom door was just plain fun to listen too. Later on or days later on the golf course, he would be sharing the stories he read and the laughter would begin

again. This year, I gave him a new padded toilet seat for his throne and 3 Uncle John Readers! I do believe it was one of the best choices I've ever made as far as gifts go...especially on the grin and giggle meter!! Thanks, for having the best choices. 0 of 0 people found the following review helpful. This was a gift

By Sonja This was a gift so I cannot comment on whether or not there was violence, sexual content or how the book was narrated. Sorry I cannot comment but my husband loves books of this nature so I purchased this as a gift for someone else.

A fascinatingly informative and humorous swing through the history, philosophy, courses, players, equipment, fashion, and hilarious flubs of the great game of golf. Whether you're a serious pro, a weekend duffer, or just a fan of the sport, you'll find this book as satisfying as a hole-in-one. Special feature: The seven best golf tips of all time.
