Bathroom Readers' Institute : Uncle John's Bathroom Reader The World's Gone Crazy before purchasing it in order to gage whether or not it would be worth my time, and all praised Uncle John's Bathroom Reader The World's Gone Crazy:

I recommend all of the Bathroom Readers to anyone thinking about purchasing one. It doesn't matter which one you get, they are all filled with random facts that you would not have otherwise thought

about. This one in particular("The World's Gone Crazy") is great because it really does cover some crazy, oddball, facts that you probably would have never known otherwise. I got the Kindle version and find it to be just as good as the physical copies, plus I can read it anywhere I like, not just while I'm at home. Like I said, I recommend this one and every other Bathroom Reader from Uncle John to anyone that loves random facts and other tidbits of information.0 of 0 people found the following review helpful.
