Great read! By Philip P. Julian I have enjoyed them all. Fun facts and enlightened trivia that will keep your mind full and your constitution regular.

It's our 16th year running (so to speak) I mean, we're still going . . . . A light-hearted, easy-to-read collection of facts, quotes, history, science, word-origins, pop culture, gossip, humor...and more! Organized by length-"Short" (a quick read), "Medium" (1-3 pages), "Long" (for those visits when something a little more involved is required), and to satisfy every demand, our popular "Extended Sitting Section" (for a leg-numbing experience.) Running feet on every page provide a "book within a book" of weird facts.
