Joe Stauffer : Urban Wandering Coloring Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Urban Wandering Coloring Book:

0 of 0 people found the following review helpful. Love it! By MMSo original and fun! The pictures are awesome with a good mix of simple and very detailed. The colored example pages add a fun POP! Well done! Colored pencils or gel pens work fine. I used gel pens.

URBAN WANDERING COLORING BOOK is our take on the classic paint-by-number book...minus the paint and numbers. use the full color "key" pages to guide your coloring, or chose your own unique color pallet to bring these fascinatingly complex urban scenes to life. (30 coloring pages + 30 full color picture key pages)
