Funny News and Funny Jokes!By Andrew GillinsonIf you enjoy this eBook as much as I did, you'll buy several copies out of sheer gratitude to the author. Valerie Hansen takes you swimming through the Cesspool of Humanity while keeping you afloat with laughter! Where else can you get such scintillating views on important topics such as a stripper with size 164XXX breasts, poisonous spiders that cause erections, men having sex with elephants, and important university studies such as "Do Gay Men Really Exist?" Stupid news like this deserves smartass punch lines, and they are all here for your entertainment! Don't hesitate. Click, Buy, Enjoy!0 of 0 people found the following review helpful. I love the author's sense of humorBy Neil LoeweI love the author's sense of humor. It appeals to my warped one. It took me a while to get through this book, only because I kept it on my phone and rationed it out. When I was feeling down and needed a laugh, I'd flip through a few pages and always leave smiling. Thanks, Valerie Hansen!1 of 1 people found the following review helpful. Life with A Sense of HumorBy Jack HansenVery funny. I love jokes that are like these in this book. Long-winded stories that do not deliver with a great punch line annoy me. This is a look at life with a sense of humor; a book to which anyone can relate.

What do Strange Sexual Problems, Deviant People, Goofy Surveys, Weird Criminals and Bizarre Medical and Scientific Facts have in common? They All Need Punch Lines! Luckily, thanks to the satirical wit of Valerie Hansen, no story here has gone un-punched! From a joke writer who has had jokes published alongside such famous late-night comics as Jay Leno, David Letterman, Bill Maher and Conan O'Brien comes a book full of one-liners and wisecracks about today's stupidest news! Read Valerie's opinions on such important stories as a woman who was born with two vaginas, a man who lost part of his penis while sexually gratifying himself with a vacuum cleaner, a woman with size 164xxx breasts, a giant bronze sculpture of dog feces, a man who had sex with an elephant, a six year study on whether or not bisexual men exist, a woman who died after giving oral sex to a German Shepherd, Testicle Festivals and more!
