AK Turner : Vagabonding With Kids: Australia: You Can't Ride a Dingo - True Tales from the Land Down Under before purchasing it in order to gage whether or not it would be worth my time, and all praised Vagabonding With Kids: Australia: You Can't Ride a Dingo - True Tales from the Land Down Under:

1 of 1 people found the following review helpful. Never a dull momentBy UnaDHBVagabonding with Kids: Australia is a wonderful peek into the enviable nomadic lifestyle of an turner and her family. As always, the book combines wit, humor, and deeper observations about life and the world we live in. Being someone who values continually learning, I appreciated the curiosity behind many of her encounters- like learning about just how many marsupials call Australia home.I aspire to having the flexibility to live and work anywhere, so I love the opportunity to see it in action while enjoying an entertaining story, and believe me, you'll be laugh out loud entertained as you follow the journey around Australia with Turner and her family. AK Turner's pace is fantastic. Not once did I page ahead to see how long I had to go before a chapter was completed. She's truly one of my favorite authors ranking in the top five with the likes of David Sedaris and Jenny Lawson.1 of 1 people found the following review helpful. This is a fun read, part travelogueBy Rick JustA.K. Turner is Everymom, if every mom had the opportunity to spend a few weeks in Australia with her husband and kids. She has her life TOTALLY together on these adventures, which is why she narrowly misses being thrown in jail forever over a smuggled apple.This is a fun read, part travelogue, part confessional, fully entertaining.0 of 0 people found the following review helpful. Fun readBy Eric JohnsonThis book inspired me to explore living abroad for a year with our kids. We are now actively looking into that possibility. It was a fun read!

AK Turner wants to cuddle with a wombat. She wants it bad. In the hilarious sequel to Vagabonding with Kids, the nomadic family of four continues their journey with a two-month trip Down Under. AK Turner indulges her fascination with prisons, with no understanding of why her husband would rather spend every day at the beach. Their daughters aren't motivated by either, and are instead enthralled with the wonders of public toilets. As the Turners wind their way through Australia, all eyes are on the lookout for adventure. And wombats. New York Times bestselling author AK Turner continues the Vagabonding with Kids series with tales of exploring Down Under in Vagabonding with Kids: Australia. With a keen eye and sharp wit, Turner juxtaposes the intrigue of Australia with stories from an unconventional life on the road. This raucous adventure will inspire digital nomads and armchair travelers alike, and leave readers hungry for the next installment in the series, Vagabonding with Kids: Brazil.

About the AuthorAK Turner is the New York Times bestselling author of This Little Piggy Went to the Liquor Store, Mommy Had a Little Flask, and Hair of the Corn Dog. Her works have received a starred review from Publishers Weekly, an IPPY Award for Humor, and been named in BookLife's Top 5 Indie Books of 2014. She is a contributor to the anthologies Leave the Lipstick, Take the Iguana (Traveler's Tales), Little White Dress (Mill Park Publishing), and I Just Want to Be Alone (Throat_Punch Books). Her work has been featured online at Scary Mommy, In the Powder Room, The Huffington Post, Nickmom, Felicity Huffman's What the Flicka?, and Artocratic, among others, and in a variety of print publications. She is a former humor columnist, founded "The Writers' Block" on Radio Boise, hosted the "Tales of Imperfection" podcast, serves on the board of the Idaho Writers Guild, and speaks at conferences and in live comedy events. A former Writer-in-Residence for the City of Boise, she lives in Idaho with her husband and two children, but travels frequently as a part-time digital nomad. Her next series focuses on parenting humor and travel.
