As we go about our day-to-day business, we see the same stuff every day. The bath, the fridge, the lamp post, the bicycle, the tree . . . so far, so humdrum. But not if you are Dominic Wilcox. Dominic sees things a little differently. For him, inside each of these everyday things are hundreds of surprising ideas waiting to be discovered. The Portable Bottom Seat, the Sick Bag Beard, Wrist Nets for the Butterfingere—Dominic's unexpected inventions, confluations, and modifications promise to make your life that little bit easier, or at least more amusing. Solving the problems we never knew we had, this collection is for all fans of David Shrigley, Tim Burton, Tom Gauld, Heath Robinson, and Taro Gomi.

"His inventions like GPS shoes and a stained glass car are collected in his book Variations on Normal. It's the perfect book for your coffee table that is also a lawn mower." —Stephen Colbert
