Rob Temple : Very British Problems: Making Life Awkward for Ourselves, One Rainy Day at a Time before purchasing it in order to gage whether or not it would be worth my time, and all praised Very British Problems: Making Life Awkward for Ourselves, One Rainy Day at a Time:

16 of 16 people found the following review helpful. Brilliantly FunnyBy AnnaTalishaI bought this book for my

brother for his birthday. He lived in England for two years and misses it all the time. So he was excited to get this book. Having visited only once I get some of the Britishisms, but some are lost on me. However the book is funny regardless if you are British or not. And the little illustrations are great! Very fun book to read and very funny especially for anyone who knows someone British or has been there!4 of 4 people found the following review helpful. Quite goodBy g33ksquaredThere are some VBP that must be universal because I have these problems too. Except when I say something is quite good, I actually mean it.I'm not sure if reading and liking this book while not British demands an apology.Cheers!1 of 1 people found the following review helpful. Perfect!By GiselleDefinitely a must-read for any Anglophile, Very British Problems is an easy-to-read fun book that will have you smile and chuckling in no time at all, and perhaps even warming your heart. I can't wait to read Temple's next book in the series, Very British Problems Abroad.

There's an epidemic sweeping the nationSymptoms include:*Acute embarrassment at the mere notion of 'making a fuss'*Extreme awkwardness when faced with any social greeting beyond a brisk handshake *An unhealthy preoccupation with meteorology Doctors have also reported several cases of unnecessary apologising, an obsessive interest in correct queuing etiquette and dramatic sighing in the presence of loud teenagers on public transport. If you have experienced any of these symptoms, you may be suffering from VERY BRITISH PROBLEMS.VERY BRITISH PROBLEMS are highly contagious. There is no known cure.Rob Temple's hilarious new book reveals all the ways in which we are a nation of socially awkward but well-meaning oddballs, struggling to make it through every day without apologising to an inanimate object. Take comfort in misfortunes of others. You are not alone.

A corking Christmas stocking filler?Weekend SportMy favourite twitter account at the moment is Very British Problems (@soverybritish) . . . it makes me laugh out loud.?Tom Hiddleston on @soverybritishHilarious?Daily ExpressHad us guffawing into our Earl Grey tea?BellaAbout the AuthorRob Temple is an award-winning features editor and the founder of @soverybritish.
