Peter Read, Kevin Johns : Vicar Joe's Religious Joke Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Vicar Joe's Religious Joke Book:

Your husband walked out in the middle of my sermon last Sunday, Mrs Jones. ""It was nothing personal, Vicar, he was just sleepwalking."" Vicar Joe is the football-mad alter ego of Swansea's all-round entertainer, Kevin Johns.

Following the successful plays ""To Hull and Back"" and ""Toshack or Me!"" , Vicar Joe returns with this hilarious compendium of religious jokes, including faux pas from the pulpit and notice boards; jokes about baptisms, marriages and funerals; epitaphs on grave stones; religious chat-up lines; children's take on religion, Bible facts that may have escaped you, and much much more... ""Jesus could never have been born in Wales, as there are no wise men in the East to visit him.""
