Can Turkey Vultures fall in love? Do they have hopes and dreams? Can they help the planet? The answers to these questions can be found in this humorous story of a plain and simple buzzard named Vinnie who falls in love with a vulture babe named Violet. While eating lunch on Avenue G, Vinnie protects Violet from a bully buzzard and wins Violet's affection. Children will gain a new appreciation for these birds of prey and will also enjoy the toe-tapping,

rollicking song, "Sweet Buzzard Love."
