Earl Pitts, Gary Burbank, Tim Mizak : Wake Up America!!!: Views of a hard-hardworking, red blooded, flag waving, right thinking American before purchasing it in order to gauge whether or not it would be worth my time,

and all praised Wake Up America!!!: Views of a hard-hardworking, red blooded, flag waving, right thinking American:

2 of 2 people found the following review helpful. Vintage EarlBy James B. JohnsonThese are written essays Earl Pitts has given over the radio. They are some of his best lately. Having them in written form allows you to read them at leisure and be able to savor them one by one and, if you want, to reread them. Few people have his insight on current politics, culture, and simple observational skills. They ought to use this book in American and English Lit classes to show the flavor and character of part of American culture. Also, he's easier to read than Shakespeare or Chaucer and certainly Faulkner, and Earl hasn't been tainted by academia. Finally, on the written page, you can see how his thoughts, and even sometimes his words, take on a lyrical aspect. More than worth your time and money.I hope this isn't his last collection.0 of 0 people found the following review helpful. My husband really enjoyed this book.By CustomerI didn't actually read this book myself, but my husband shared many times as he laughed out loud about one of the stories. I hit it right on for this purchase for him.0 of 0 people found the following review helpful. Five StarsBy Maxine SmithThis guy is awesome and so is the book Good reading!!

Earl Pitts, American has been entertaining hundreds of thousands of people daily with his legendary commentaries heard on radio stations across the country since 1985. For the most part – he's just like you. (That is – if you entertained hundreds of thousands of people daily with radio commentaries. ) He works in a factory by day....and picks up shifts at The Duck Inn Bar at night to make ends meet. Meanwhile – his family – wife Pearl and kids, Earl Junior and Sandra Dee keep pushing his ends farther apart. (Wow – except for that radio thing – this is your life!). hqdefaultEarl's buddies, Dub and Junior Meeker, and Runt Wilson will never be mistaken for MENSA members. In fact – they probably couldn't even spell 'MENSA'. Earl's 14-year old son is getting over a break-up after a two year relationship with his teacher....and Earl's daughter has been in her room crying for the last three years after Homeland Security arrested her fiance in the middle of their wedding. And what can you say about Earl's wife Pearl? Some people hit the lottery in life – and find the perfect life companion, an extension of their own soul. Others marry people like Pearl. Enough said. In other words – it's your typical American life. And it all contributes to Earl's unique take on the world around him.
