Don Rosa : Walt Disney Uncle Scrooge And Donald Duck: "Return To Plain Awful" The Don Rosa Library Vol. 2 (The Don Rosa Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Walt Disney Uncle Scrooge And Donald Duck: "Return To Plain Awful" The Don Rosa Library Vol. 2 (The Don Rosa Library):

2 of 2 people found the following review helpful. Wonderful Memories of Ducks. 20 years on.By J. P. HIGBEDAh! Memories.These stories are all from the late eighties, early nineties, and I remember almost all of them (to varying degrees).This time around I enjoy them just as much, and some even more, as the past 20 years has added to my cynicism of the human condition (as satirically portrayed by Ducks, Dogs and Pigs).In fact one of the best Scrooge

stories of all time is in this volume, "His Majesty McDuck". It alone is worth the price of the book. But while the content is definitely "5 Star", I have only given it "4 Stars" because of the shoddy binding. I bought 2 copies and they both have the same problems. The bottom of the spine is badly buckled, and the cover print is coming unglued from the board binding. 0 of 0 people found the following review helpful. Walt Disney Uncle Scrooge And Donald Duck hardback full color don rosa 208pagesBy stumpedlbrings back so many memories. Lost my collection in a divorce. now i need grandchildren to share these with. quality item. 208 pages0 of 0 people found the following review helpful. Not the Ducks you think you know!By Robin HobbNot the Scrooge, Donald, Huey, Dewey and Louie that you think you know from Duck Tales. Good story telling and adventures. Seriously, check them out.

This is the second collection of Don Rosa's wildly popular riff on Carl Barks' Donald Duck and Uncle Scrooge comics. "Jumpin' jacksnipes!" Duckburg's richest tycoon is on the hunt for legendary square eggs?and he's bringing Donald, Huey, Dewey, and Louie along! It's our second complete, chronological book of Duck adventures by internationally celebrated fan favorite Don Rosa?following in the footsteps of Disney legend Carl Barks with his own distinctive style! Famed for his prizewinning Life and Times of Scrooge McDuck, Rosa wrote and drew two decades' worth of ripping Duck yarns and is among the world's most beloved modern cartoonists. Star stories in our second Rosa book include "Return to Plain Awful," Rosa's sequel to Barks' "Lost in the Andes." Then, in "His Majesty McDuck," Scrooge beats the IRS by seceding from the Union... only to have his new country colonized by the Beagle Boys! Plus more! Presented with a rich archive of Rosa's cover art and behind-the-scenes factoids, these Duckburg epics are getting a definitive, comprehensive North American edition for the very first time?at a bargain price worthy of Scrooge himself! Full color

"Whether you're a little kid reading the book for its humorous adventures or a grown-up comics enthusiast availing yourself of a great curated collection, you'll find Plain Awful to be anything but." - J. Caleb Mozzocco, School Library Journal
"The work itself remains essential: More than 'just' a Barks homage, Rosa carried the Good Duck Artist's legacy into legitimately new territory, exposing and massaging the pathos and wicked humor at the core of every good nostalgic exercise." - Tim O'Neil, The A.V. Club
"...Rosa is so sincere in his desire to revive Barks's style of adventure and humor it shows in every panel, every detail of his work. He's taking this seriously, folks, and it's all there. ... Good stuff, sez I." - Jerry Beck, Cartoon Research
"I love [Don Rosa's] body of work. I've bought it multiple times. I'll be happily buying it again when Fantagraphics reprints it this fall. Love, love, love." - Augie de Blicke Jr., Comic Book Resources
"On the short list of comic book creators responsible for genuine masterpieces of the medium, Don Rosa's name is pretty darn close to the top. ... In his time on the Ducks, Rosa was responsible for over 80 stories that include some of the best comics of all time..." - Chris Sims, ComicsAlliance
"In the handsome reprints of Uncle Scrooge and Donald Duck: The Don Rosa Library, ...cartooning journeyman genius Rosa displays his penchant for turning out issue after issue of globetrotting adventures... The work is more than deserving of a collection centered on the work of a funnybooks auteur..." - Aaron Ragan-Fore, Eugene Weekly
"Rosa's comics may be the best comics ever done in the voice of another creator. They're very funny, satisfying yarns, and this presentation -- particularly the color -- is super-handsome. This would have been my favorite book ever at eight years old, and I'm fond of it now." - Tom Spurgeon, The Comics Reporter
"Let me be perfectly clear: The Don Rosa Carl Barks Duck books are as good as comics get. Period. Nothing surpasses -- only matches -- the pure imagination, humor, adventure, and heart of these Donald Duck Uncle Scrooge stories." - Vince Ostrowski, Multiversity Comics
About the Author
