Beckett Gandolfi : Warm Tequila Booty Chafe: Life On A Bicycle before purchasing it in order to gage whether or not it would be worth my time, and all praised Warm Tequila Booty Chafe: Life On A Bicycle:

Two young men travel across the country on bicycles looking for an inviolable sanctuary from employment. Beckett Gandolfi, a 26-year-old boy, battles with his internal demons one mile at a time. Eric Pinard, a loose cannon maverick, will stop at nothing to avoid everything. This action-deprived story will leave you disappointed and frustrated. Get ready as you plunge deep into the life of an adventure cyclist.

About the Author Beckett Gandolfi was born in Hoffman Estates, Illinois in 1988. He currently resides in Seal Beach, CA where you can find him parked behind the 24 hour Kinkos. Beckett is a man of simple needs. He enjoys chewing on rubber bands, talking into fans and dipping tortillas in salsa. Beckett never intended to bike across America he just got lost looking for a AAA. The story began when Beckett accidentally locked his keys inside of his Pontiac. He recently found a pistachio and was trying to crack it open with his car door. By the time the pistachio had reached Beckett's stomach his face was pressed up against the driver's side window. With nowhere to turn, Beckett got on his bike and headed East. Warm Tequila Booty Chafe is a daily blog based on the events that followed.
