Wanda Van : Wash Away Your Sins Soul Saver Pak (Blue Q Mega Mini Kits) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wash Away Your Sins Soul Saver Pak (Blue Q Mega Mini Kits):

It is funny without really being disrespectful.0 of 1 people found the following review helpful. Four StarsBy charlesIt was a gift8 of 11 people found the following review helpful. I think it is funny butBy Chris CollmanThis product along with the companion "Cleaving Bar and Toweletts (for all 7 DEADLY SINS)", still has me laughing and a certain family member will get them for Xmas.Please be careful, some people would consider this product culturally inappropriate (ie insulting).How can you get angry with something that states on the front of the small box that it is "For Liars, Cheaters and Wrong-Doers" not to mention it is "Cardinal approved" and "Bishop tested" (well that is a bit edgy).The back says "Bubble Bath - Baptism in a bottle for a sanctified soak", "Holy water - dab on redemption for blessed relief", "Goody Good Guidebook - write your wrongs on 32 purified pages". With a side panel note to "use daily" because there is "no rinsing, no scrubbing, no harsh fumes, no visible sin scum."Somehow they missed the line, "Giving this box will guarantee you the "Holier than Thou" feeling. Definetely a gift for that certain someone.

Bishop Tested Frankincense scented bubble bath, holy water, and 32-page Goody-Goody Guidebook containing hilarious directions and space to write your wrongs.
