**Ken Alley : Watch Your Step!: Country Wit Humor** before purchasing it in order to gage whether or not it would be worth my time, and all praised Watch Your Step!: Country Wit Humor:

Watch Your Step! is a collection of humorous farm anecdotes taken, with permission, from books originally compiled

by Leewin B. Williams the first half of the 20th Century. It's amazing how much truth can be distilled from dated humor. You either recognize the people or, in some instances, you recognize yourself.

About the Author Ken Alley loves to laugh as much as anybody. He gets big kicks out of humor from the past and thus reproduces the best of books from that era.
